

He's a King Bee

The days when "Johnny got his gun and his sword and his pistol" and went out to do things to the Hun, are all over now.

Johnny is back among us again, and he is pretty much of a king bee, as he deserves to be. Give him all the glory that is coming to him, you stay-at-homes, who couldn't or wouldn't go. He did things in true American style, while all we did at home was to dig up the coin and rustle the food and build the ships and a few other things. We are proud of you, soldier boys. If we can serve you in any way, just come in and tell us what you need.

A New Back for an Old One—How a Grants Pass Resident Made a Bad Back Strong

The back aches at times with a dull indescribable feeling, making you weary and restless; piercing pains shoot across the region of the kidneys, and again the loins are so lame that to stoop is agony. No use to rub or apply a plaster to the back if the kidneys are weak. You cannot reach the cause. Follow the example of this Grants Pass citizen. Mrs. Wm. Harvey, 821 N. Eighth

St. says: "For six long months I suffered from kidney trouble. My back nearly killed me, it ached so badly. I was as helpless as a child, being confined to my bed most of the time. My kidneys were terribly congested and I was a nervous wreck. It just seemed as though every inch of my body was affected, as I ached all over. Doan's Kidney Pills pulled me through this. I used them for several months and was finally able to get around as well as ever. I consider myself cured."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Harvey had. Foster-Milburn Co. Mfgs., Buffalo, N. Y.

Meeting at Medford—

A meeting is to be held at Medford Thursday evening, by represen-

tatives of the fishing and hunting interests of Southern Oregon, to discuss and formulate some plan for future action. The present muddled condition of the fish and game matters within the state has left many of the districts without adequate protection, and this, as well as Rogue river legislation, will not doubt be given consideration.
