What Are Signs?

A woman pointed an English magistrate recently by asking for a summons against a neighbor for "showing signs." After inquiries had been made, it was found that they were in-sulting words.

For Middle-Aged Men and Women

It isn't always on coming old age that causes men and women in the middle years of life to slow up and feel a loss of ambition and energy. Weak or disordered kidneys do not filter waste matter and impurities out of the blood as they should, and backache, tired feeling, lameness, stiff joints, sore muscles, rheumatic pains, biliousness, irritation of the bladder, puffiness under the eyes or other symptom or ailment appears.

HE WAS GREATLY BENEFITED
"I feel so much better than I did before I got Foley Kidney Pills. They are fine and you may use my name in your advertisement, I am glad to help you, as your medicine helped me greatly. I truly hope some one else who needs it will get some of your medicine. Your Kidney Pills are wonderful. I cannot thank you enough for them." Laura Perry, 1540 Twigg St., Augusta, Ga.

FOLEY KIDNEY PILLS

strengthen the kidneys, stimulate the bladder and tone up the liver. They help the kidneys remove the accumulated poisons and soothe and heal the passages. When the kidneys and urinary tract are doing their work perfectly, the whole system is benefited and restored to health and strength. Why suffer when a reliable remedy can be so easily had?

Irrigation Ditch Digging—

Messrs. Schroeder and McFadden, who have the contract for the digging of the Southside ditch for the irrigation district, state that the ditch is now completed to the upper Fruitdale road, a distance of about one and one-half miles from the point where it was commenced, at the turn on the Crescent City highway. The plan is to construct this ditch as far as Green creek at once, and it will be served with a pumping plant till the dam is built by another season.

Lumber Yard Coming—

One of the rumors that has been circulating freely during the past

few days that has real substance behind it is that concerning the establishment of a lumber yard and sash and door factory. Parties from Ashland, Medford and Grants Pass are to be interested in the enterprise, and full announcement will be ready in a few days.

That Morning Lameness

If you are lame every morning, and suffer urinary ills, there must be a cause. Often it's weak kidneys. To strengthen the weakened kidneys and avert more serious troubles, use Doan's Kidney Pills. You can rely on Grants Pass testimony.

Mrs. Amelia Lempke, 402 F St. Grants Pass, says: "I suffered from rheumatic pains. There were times when I could hardly get around I was so stiff and lame. At night, I lay awake for hours on account of the pains, which went from one part of my body to another. I got up in the morning so stiff and lame. It was all I could do to keep up. I tried many medicines and also used liniments, but without the slightest relief. I finally started taking Doan's Kidney Pills. I was helped from the first and almost before I knew it, I was free from the trouble."

A Later Statement
Four years later, Mrs. Lempke said: "I am glad to confirm my former endorsement of Doan's Kidney Pills. I have never had anything give me so much relief as Doan's." Price 60c at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Lempke had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Big Value in Tires for Small Cars

Back of the manufacture of Goodyear Tires for small cars is the same purpose to supply high value in the product that is behind the manufacture of the Goodyear Tires that equip the most expensive automobiles built.

This purpose is expressed by the enormous resources, extraordinary skill and scrupulous care applied to the manufacture of Goodyear Tires in the largest tire factory in the world devoted solely to the 30x3-, 30x3 1/2-, and 31x4-inch sizes.

The effect of this endeavor is noted in the fact that last year more cars using these sizes were factory-equipped with Goodyear Tires than with any other kind.

It is also noted in the fact that, if you own a Ford, Chevrolet, Dort, Maxwell or other car requiring the sizes mentioned, you can secure Goodyear Tires and Goodyear Heavy Tourist Tubes at the nearest Goodyear Service Station.

30x3 1/2 Goodyear Double-Cure Fabric, All-Weather Tread.....\$20.00

30x3 1/2 Goodyear Single-Cure Fabric, Anti-Skid Tread.....\$17.65

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag.....\$3.90
