OFFICERS CHECK BURIAL RECORDS

Few Yanks Will Lie Unidentified in France.

NEARLY 70,000 U. S. GRAVES

Every Grave Record is Checked Against the Army's Casualty List—38 Cemeteries of 300 or More Graves Cared for by Discharged Soldiers—Officers Make Periodical Inspections of All Cemeteries.

American army officers believe very few unidentified bodies will be among America's soldier dead in France when the army graves registration service completes a thorough checking of records now in progress. Every grave record is being checked against the army's casualty list. Each little white cross—or six-pointed star over the Jews—is having an embossed aluminum strip placed on the back, duplicating the name, rank and organization already painted on the marker. This is being done as a precaution against the possibility of winter weather wearing away the stenciled information.

Nearly 70,000 U. S. Graves.

Nearly 70,000 American boys are buried in the 11 districts of France, the Belgian battlefields and the Duchy of Luxembourg. There are 38 cemeteries of 300 or more graves, cared for by discharged soldiers. The largest of these is Romagne, north of Verdun, where the 23,000 of our men. The next in size is that of Thiaucourt, with 4,500 graves. Many of those who fell in battle are sleeping in British and French military cemeteries. A few were left where first put in the ground, as in the Vosges mountains.

PROMINENT FOLKS TESTIFY

Sacramento, Calif.:—"For years I was a great sufferer. I had indigestion very badly and it seemed that there was no help for me as I had tried so many, many different remedies without getting any help. Finally, I tried Dr. Pierce's Golden Medical Discovery and it cured me. I took only two bottles." J. P. CELVERSON, 3230 2nd Ave.

AFTER INFLUENZA Heart and Circulation Bad

Baker City, Oregon:—"I was taken with influenza January 4th and also had a nervous breakdown. My stomach was so bad I did not retain any food for three or four weeks and I was troubled with gas and sourness. I doctored with my two favorite doctors and a Chiropractor who said my nerves were so badly damaged that I was on the verge of hysteria. My heart was bad and circulation so bad that my limbs were almost paralyzed. One day I sent for a copy of Dr. Pierce's Common Sense Medical Adviser, which I read and decided to make a trial of Dr. Pierce's medicines. At that time I was only able to stay up a few minutes at a time. After taking two bottles I was able to be on my feet all day. I am now able to eat anything without discomfort and never have the dryness in my mouth in the morning nor any bowel trouble. The 'Pleasant Pellets' and the 'Medical Discovery' according to directions, and the salt baths as directed in the 'Medical Adviser' were all I used. I walk 18 or 19 blocks at a time now and feel no ill effects. 'Will always recommend Dr. Pierce's remedies.'—Mrs. Wm. HOGGARD, 2630 Church St.
