Safe Remedy for Children's Colds

If you want a pure, wholesome and absolutely safe remedy for the relief of coughs, colds, croup and whooping cough, get Foley's Honey and Tar. It contains no opiate or habit forming drugs.

Always Recommend It

Charles Baker, Brownsville, Tex., writes: "For many years past I have used Foley's Honey and Tar Compound in my family and have found it superior to any other cough medicine. It is especially effective in cases of bad colds of my children. I have always recommended it to my friends as a safe remedy for the child, as it contains no opiate."

Foley's Honey and Tar

COMPOUND

LOOSENS THE PHLEGM AND MUCUS, clears the passages, coats inflamed and irritated membranes with a healing and soothing demulcent, eases hoarseness, stops tickling in the throat and makes refreshing, restful sleep possible.

There is no better remedy for Coughs and Colds than Foley's Honey and Tar.

SOLD EVERYWHERE

Not much money, as money goes nowadays—but you'll be surprised how much good food a nickel will buy when invested in a packet of Morse's seeds. Take your pick:

Radishes Cucumbers
Lettuce Beets
Onions Carrots
Turnips Tomatoes

—and dozens of others. At grocers, florists, drug and hardware stores, etc., everywhere.

Attention! Important!

We have no Ford cars in stock.

We are expecting some soon but as there are many more buyers than we can supply we can make delivery only to those who sign orders and make a deposit of \$25.00. These orders will be filled in rotation according to date taken. If you want a car the sooner you let us have your order the sooner you will get it. There is a shortage in all makes of cars, and the situation will be worse as the season advances. The public will soon find that this will be a year of ordering in advance for almost anything they want. You may not be obliged to wait long for a Ford if you order now but the order system is the only way in which the cars can be fairly distributed. The Ford Motor Company insists on a strict enforcement of this rule from this time.
