WHO'S FOR IRRIGATION

Continued sunshine in the Rogue river valley, with such negligible rain-fall for the winter, has brought about a condition resembling late spring. It is all very pleasant now, but if we get late spring in February what is to be expected in July and August. The Jacksonville Post may be credited with having heard correctly when it says:

"As the oldest inhabitants say, 'It will be hell on the dry farmer this year if we don't get more water.'"

This year of all years, reported to be the driest on record, is the auspicious one for a successful irrigation project. "Water in the ditches by May 1st," as promised by the Grants Pass Irrigation District will remove many local farmers from the class referred to in the Post.

THE PROPER COURSE

Information of Priceless Value to Every Grants Pass Citizen

How to act in an emergency is knowledge of inestimable worth, and this is particularly true of the diseases and ills of the human body. If you suffer with kidney backache, urinary disorders, or any form of kidney trouble, the advice contained in the following statement should add a valuable asset to your store of knowledge. What could be more convincing proof of the efficiency of Doan's Kidney Pills than the statement of a Grants Pass citizen who used them and who publicly tells of the benefit derived?

J. P. Morse, 333 Bridge St., says: "Doan's Kidney Pills are all right and I don't hesitate to tell anyone I hear complaining of backache or lumbago about them. I have been nearly down and out with these troubles at times, but when I have taken Doan's Kidney Pills, I have soon been relieved. It is a year or more since I have had any trouble from my back or kidneys, but I would know what to do if I should ever have need of a kidney medicine again."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Morse had. Foster-Milburn Co., Mfgs., Buffalo, N. Y.

AIRSHIP BUILDERS IN ENGLAND TO COMBINE

London, Feb. 24.—The leading British constructors of dirigible airships are considering favorably a proposal by the British air ministry that they should combine so far as the line of development is concerned, according to the American Chamber of Commerce in London.

It is anticipated, says the chamber, that the current year will see progress in replacing the enormous airsheds now in use with mooring towers to be erected throughout the country.

Gives Party—

An enjoyable party was given recently by Miss Ruby Dover, the time being passed with games and music. A delightful luncheon was served to the invited guests.

How To Keep in Good Condition

Sound nerves, a clear head, good digestion, strength, endurance and general health depend upon clean blood. If the kidneys and bladder do not properly perform their functions, the blood cannot be clean and pure, for these organs filter and cast out the waste matter, impurities and poisonous acids that cause nervousness, rheumatic pains, backache, languidness, sore muscles, swollen joints, stiffness, puffiness under the eyes and other weakening symptoms.

WAS RELIEVED AT ONCE

"I was afflicted with kidney and bladder trouble for nearly 8 years. Had one very bad spell about 8 years ago. Was confined to bed for 4 or 5 days, unable to turn without help. I commenced using Foley Kidney Pills and can truly say I was relieved at once. I take pleasure in recommending your kidney pills to all who have kidney trouble." John Heath, Michigan Bar, California.

FOLEY KIDNEY PILLS

soothe, strengthen, heal overworked, weak and diseased kidneys and bladder. When these organs are working properly, the blood is cleansed and purified, appetite returns, good digestion follows, refreshing sleep is possible, health and strength come again. They have brought relief to thousands of men and women who thought old age was coming on before it was due.

Troubles, Troubles, Troubles

We borrow most of our troubles. We anticipate them and worry; we imagine all kinds of dire calamities; we see fate just around the corner, ready to smite us with the bludgeon of failure, but when we turn the corner we find that fate has not even touched us. We fret and fume to no purpose and waste our energies.

Attention! Important!

We have no Ford cars in stock.

We are expecting some soon but as there are many more buyers than we can supply we can make delivery only to those who sign orders and make a deposit of \$25.00. These orders will be filled in rotation according to date taken. If you want a car the sooner you order the sooner you will get it. There is a shortage in all makes of cars, and the situation will be worse as the season advances. The public will soon find that this will be a year of ordering in advance for almost anything they want. You may not be obliged to wait long for a Ford if you order now but the order system is the only way in which the cars can be fairly distributed. The Ford Motor Company insists on a strict enforcement of this rule from this time.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.
