YOUR COMPLEXION is muddy. You look haggard and yellow. Your eyes are losing their lustre. The trouble is with your liver. Take Chamberlain's Stomach and Liver Tablets. They will correct that. THE ARTS THAT MAKE YOUR HOUSE A CULTURED HOME

The subtle magic that changes a house into a home where you love to dwell, is found largely in two arts, music and furniture. When you choose your phonograph, choose it for what it can give of both.

The New Edison not only gives you the literal re-creation of an artist's voice or instrumental performance, but it also adds to your home an exquisite piece of furniture.

If you love music, you probably appreciate fine furniture.
