Much interest was shown in investigating the storage facilities of water for irrigation purposes and this matter will be taken up.

The women of this community decided to meet the third Saturday of each month and take up various phases of clothing.

A Prominent Druggist Testifies

Redondo Beach, Calif.—"I wish to call attention to my experience in the sale of Dr. Pierce's Anurie Tablets. I have never sold an article that has given such universal satisfaction. It seems that every bottle sold sells another. I am very much inclined, like most druggists of today, to sell the 'long shot' stuff at a greater profit, or something 'just as good,' but in suggesting Anurie for uric acid and rheumatism I consider I have not only created business along that line but have gained the confidence of the public which more than repays me for my interest and suggestion, together with the satisfaction I get from having an article that I can place with perfect confidence. Nothing would please me more than to be able to introduce Anurie to the world for the benefit of all mankind. However, I have to content myself by simply calling attention to the satisfactory results that follow as reported to me by the individuals, extending their thanks."—C. D. KNOX.

Many of Your Neighbors Can Say the Same

Tuolumne, Calif.—"My back gave me considerable trouble, which I thought was due to kidney disease. After taking four packages of Dr. Pierce's Anurie (anti-uric-acid) Tablets I was fully recovered. I consider it a wonderful medicine. I also use Dr. Pierce's Pleasant Pellets whenever I am bilious, and they give immediate relief. I consider them a great medicine."—WM. H. BOSCH.

Ford THE UNIVERSAL CAR

The Ford truck is just another arm and hand to the business man, adding through its manifold usefulness to the possible volume of his business, and at the same time doubling the value of every hour. In so many ways its all round utility serves the urgent demands of business—big and little—the retailer and wholesaler, the manufacturer and consumer, the contractor and farmer. Everywhere where business exists there is a present want for Ford trucks. Consider the price \$550, without body, f. o. b. Detroit. Let's talk it over with you.
