Snowfall in the Hills—

H. B. Reed, the genial boss of Cloverliot ranch out in the Sucker creek valley, is in the city for a few days. Mr. Reed states the road is in pretty bad condition for part of its distance because of the recent rains. There was no snow in the hills on the first of March, says Mr. Reed, though considerable has fallen since. The chance of the snow remaining long is slight, however, as it is light, and did not drift in heavy banks as it usually does.

The New Styles Are Here

We have just placed in our window a very elaborate display of the latest styles of women's oxfords.

When we say "latest" we mean styles that are different from those ordinarily seen—styles that possess unusual individuality and are in harmony with today's fashion.

Made of the finest soft, durable leathers over perfect-fitting lasts these oxfords are particularly suited for every day wear.

As to service they have the same wearing qualities that feature Utz & Dunn Co. shoes. If you want serviceable shoes which are authentic in style we advise you to call at our store and see what we have to offer.
