OREGON WEATHER

Weather for the Week
 Pacific Coast States: Fair, except occasional rain south Pacific Coast. Normal temperature probable.

Tonight and Thursday, showers. Moderate southerly winds.

REGISTRATION WEEK

The present week has been designated by the governor of Oregon as registration week and it is the duty of every voter, who has not yet done so, to register at once. Less than two weeks are left before the

books will be closed. It is much easier to register now than to wait and be sworn in at election time. Many important measures have been put on the ballot for the primary election this spring. Generally the primaries do not call out a large vote, but with the large number of measures that are being referred to the people and directly concern them, every voter should turn out.

H. Rostad stopped off here for a short time yesterday to visit with J. A. Johnsrud, of the C. & O. C. railroad office. Mr. Rostad is on his way to Portland from San Diego. The

gentlemen knew each other while in the employ of the S. P. and S. railroad.

J. T. Hagen is spending a few days in Medford visiting with friends.

FEDERAL

DOUBLE CABLE BASE TIRES

They Give More Miles

FEDERALS are not only better equipped to stand punishment from the road but also from the rim.

The exclusive Double-Cable-Base feature frees Federal Tires from internal rim troubles.

Four twisted steel cables hold Federal Tires firmly on the rim; keep them from shifting, rocking, blowing off or the toe bead pinching the tube.

This prevents rim cuts and blow outs just above the rim.

Thousands of Federal users are proving this every day.

Federals could be economizing for you, but not unless you have them on your car. Let us tell you more about Federal Tires and why they save money.

Biliousness

WHEN you have a bilious attack your liver fails to perform its functions. You become constipated. The food you eat ferments in your stomach instead of digesting. This inflames the stomach and causes nausea, vomiting and a terrible headache. Take Chamberlain's Tablets. They will tone up your liver, clean out your stomach and you will soon be as well as ever. There is nothing better.
