COULD NOT STAND STRAIGHT

It does not take long, when the kidneys are out of order and not doing their work properly, for poisonous acids to accumulate in the system and cause aches and pains. D. C. Diamond, 2865 W. 30 St., Cleveland, O., writes: "I caught cold and it settled in my kidneys. My back and sides were so lame and sore I could not stand straight. I use Foley Kidney Pills with good results and am glad to testify to their helping power." Sold Everywhere. 2
