CALUMET

Has Raised a New Standard for Baking Powder

Because it is made in the most careful and scientific manner from absolutely pure materials that remain pure in the baking and insure wholesome, healthful foods.

Because it possesses the greatest leavening power.

Because it is not affected by time or weather—it never loses its strength and never fails.

Because it is most economical—you save when you buy it and you save when you use it.

These are the reasons why Calumet is the standard baking powder—the choice of millions—more being sold than of any other brand.

Try it—always buy it. Your grocer can supply you.

Calumet contains only such ingredients as have been approved officially by the U. S. Food Authorities.
