A special \$7,000,000 plant was built and a specialized organization was gathered together to make this tire exclusively.

Such specialization is typical of Firestone.

The plant capacity is 16,000 a day.

The \$7,000,000 3 1/2 inch Tire

The results are all in favor of the car owner:

Quality at low cost; strength and scientific balance; car protection; long life; most miles per dollar.

Stop tire shopping. Buy Firestones.

Most miles per dollar is a Firestone pledge to the big car owner as well as to owners of light cars. See the new standard oversize Firestone Cord.
