

"He who steals my money steals trash"

is a favorite saying—yet we must all have the trash—which is only another way of asking YOU what you are doing with your money. Are you spending it, losing it or SAVING IT? We pay interest—you form a good habit. It's a good combination.

ACME QUALITY MOTOR CAR FINISH

Sun and rain, wear and tear will play havoc with any car. A few surface cracks on the hood, fenders or body will open the door to the elements. Rust and decay begin their work. Soon you have a rusty, rattling, rough-looking old car that you're ashamed of.

But save the surface and you save all. A little Acme Quality Motor Car Finish will protect your car against rust, make it last longer and look better.

There's no secret about finishing a car. We can give you some helpful suggestions. Stop in and look at our line of Acme Quality Motor Car Finishes.

"BLIND HUSBANDS" SHOWING AT OREGON

A trip to the snow crowned heights of the Tyrolean Alps awaits the playgoer at the Oregon theatre where the big film story, "Blind Husbands" opened yesterday.

The story deals with a famous American surgeon and his beautiful wife. Professional cares make the scientist preoccupied and apparently indifferent to his wife's heart happiness.

It is a splendid opportunity for a love-bandit to get in his work, an opportunity that Lieutenant von Stenben of the Austrian army could not consistently overlook. On unsurpassed awe-inspiring scenery, vigorous dramatic action and the very uniqueness of the daring plot "Blind Husbands," makes its bid for the plaudits of the picture loving multitudes.

Courier for commercial printing.
