GOLDEN RULE

ACME QUALITY

NO-LUSTRE FINISH

is offered in delicate or rich colors that will harmonize and enrich the furnishings of any room. Dust and dirt do not adhere to its smooth surface. Easily kept bright and clean by wiping with damp cloth. Far more beautiful and sanitary than wall paper stuck in place with germ-breeding paste. Let us show you colors and estimate cost.

FEDERAL
DOUBLE CABLE BASE TIRES

They Give More Miles

FEDERALS are not only better equipped to stand punishment from the road but also from the rim.

The exclusive Double-Cable-Base feature frees Federal Tires from internal rim troubles.

Four twisted steel cables hold Federal Tires firmly on the rim; keep them from shifting, rocking, blowing off or the toe bead pinching the tube.

This prevents rim cuts and blow outs just above the rim.

Thousands of Federal users are proving this every day.

Federals could be economizing for you, but not unless you have them on your car. Let us tell you more about Federal Tires and why they save money.

How much should I give to make this a better world?

A CERTAIN man in New York filled out his income tax report.

It showed an income so large that his tax was 53%. And his total gifts to church and charity for the year were \$148.

Think of it—thousands spent for luxuries and pleasure for himself; and \$148 to leave the world a little better than he found it!

Most of us do better than that; but not so very much better.

Our average daily gift for all church causes is

- less than we spend for daily papers
- less than a local telephone call
- less than a third of the day's car fare
- less than 3 cents a day

No wonder that 80% of the ministers of America are paid less than \$20 a week. No wonder that the church hospitals turn away thousands of sick people a year. No wonder that China has only one doctor for every 400,000 people. No wonder that every church board and charity society is forever meeting deficits, forever passing the hat.

It isn't because we are selfish; it isn't because we don't want to help. It's just because no one has ever put up a great big program to us, and asked us to think of the work of the church in a systematic businesslike way.

The Interchurch World Movement represents the united program of thirty denominations. They have surveyed their whole task, no business could have done it better.

They have budgeted their needs; no business could have a more scientific budget. They have united to prevent the possibility of waste and duplication. At least a million dollars will be saved by the fact that thirty individual campaigns are joined in one united effort.

And they come to the men or women who love America—to you—this week asking you to use them as the channel through which a certain definite part of your income can be applied to make this a better world.

Only you can determine what part of your income that should be.

It's a good time right now to answer that question. We're passing through the world just once; how much better will the world be because you passed through?
