

An Enviably Record

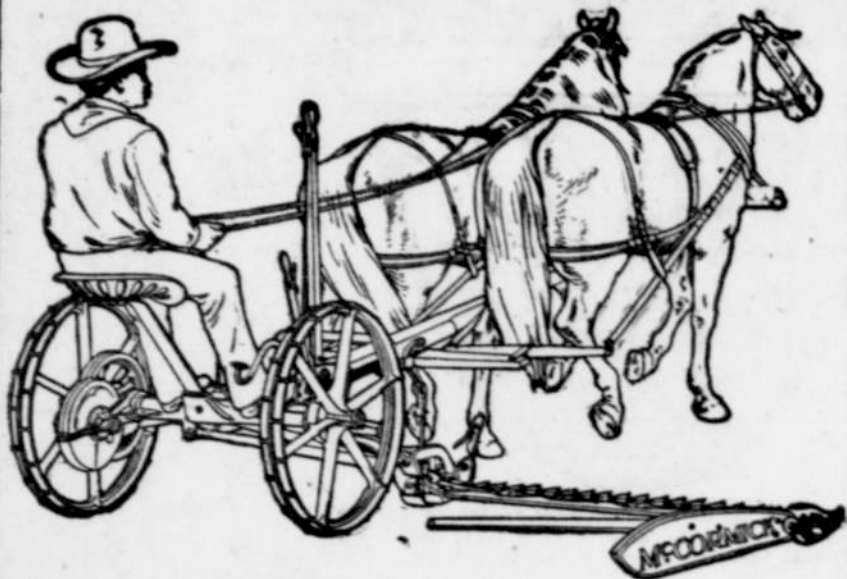

We are justly proud of the success our bank has attained. We feel that there is a reason for it.

It is because we have earnestly tried to treat every one fairly, courteously tried to accommodate, tried to be of service. We have adopted modern methods of banking and have these facilities at the disposal of our patrons. Every dollar entrusted to our care has been carefully guarded and accounted for. These things are all worth while, and make our bank a credit to the community.

The high school baseball team left this morning for Ashland, where they will play the Ashland high school this afternoon. From Ashland they will go to Klamath Falls to play the Klamath team. They are making the trip in a Ford truck filled with straw. Principal Gaston of the high school, who has coached the team, is accompanying the boys on the trip.

Army Drive Slow—

Reports from the canvassers in the city in the Salvation Army drive, which was started yesterday are not very encouraging to the campaign officials of the county. Yesterday only about a fourth of the \$1000 quota for Grants Pass was subscribed. The country districts are not all in yet but it is thought that they will reach the amount set for them. The campaign will continue during the week, and everybody will have an opportunity to contribute a small amount at least to the army.

Mining Man Leaves—

J. Ehrenberg, who has spent the past four weeks in Grants Pass, Waldo and Camp Chicago with A. C. Hoffman, in the interest of the Del Norte Mining Corporation left the first of the week for California, New Mexico and Chicago. He reported that he is well pleased with the company's holdings and that the outlook for a big producer is very bright. Mr. Ehrenberg has had many years of experience with the copper mines of New Mexico and is at present with the Calumet and New Mexico Mining company. He expects to make another trip out here in the near future as he likes the country and the climate as well as the wonderful opportunities in the mining industry.

Fish Was Stolen—

Last night two fishermen from Medford broke their run of bad luck and caught a salmon. They had been after one for three days but had not been successful. They hung it up in the cool night air about ten feet from their camp at the dam and when they went to cut a salmon steak this morning the fish was gone. They are fishing again today.
