

An Envable Record

We are justly proud of the success our bank has attained. We feel that there is a reason for it.

It is because we have earnestly tried to treat every one fairly, courteously tried to accommodate, tried to be of service. We have adopted modern methods of banking and have these facilities at the disposal of our patrons. Every dollar intrusted to our care has been carefully guarded and accounted for. These things are all worth while, and make our bank a credit to the community.

Were Married Today—

Frank McDaniel and Edith Goldie Fehely, both of Grants Pass, were married this morning by Justice of the Peace Holman.

Forked Tails Striking—

Another run of forked tails seems to have appeared in the river. Yesterday a number were reported taken

on a spinner. They are said to be in excellent condition, being even fatter than the steelheads in a new run. Last fall a run of forked tails, or jack salmon as some call them, came into the river and a large number were taken on small spinners and bait. They run smaller than the other varieties of salmon, being only about two to five pounds in weight.
