

DORT

Quality Goes Clear Through

No matter how impressed you may be with your Dort when you purchase it, you have a far higher opinion of the car six months or a year later. It is when you look back over the daily record of its service for a long period that you completely appreciate the value of your investment.

SKELETON OF MAN FOUND HIDDEN UNDER BRUSH PILE

Healdsburg, Cal., May 8.—The skeleton of a man, later identified as George McLeod, a laborer, was found on the coast near here recently, beneath a pile of brush. With the body, which was fully clothed, was found a calendar, with the date of November 13 marked by a short pencil which had been driven clear through the calendar.

The FLOUR and every article of goods we sell is "fine." We feel that it is a CRIME to sell people inferior and POISONOUS stuff to put into their stomachs.

The pure food laws—which can be dodged—do not force US to sell pure groceries. Our own good BUSINESS SENSE tells us that the best way to make money and build our business bigger is to give the people GOOD, PURE STUFF.
