ROAD FROM OCEAN TO OCEAN AS MEMORIAL

* New York, May 8.—A Roosevelt road of remembrance, planted with memorial trees from ocean to ocean, would be the greatest of all memorials that could be erected in honor of the former president, declared

Charles Lathrop Pack, president of the American Forestry association, of Washington, in an address at Flushing today. Mr. Pack spoke at a memorial tree planting in memory of Theodore Roosevelt and Quentin Roosevelt. Two white oaks that have been registered on the association's honor roll were dedicated.

"In a Roosevelt Road of Remembrance," said Mr. Pack, "every citizen of the United States would have a part and no finer memorial could be erected than such a memorial

highway. As never before the United States needs a great outstanding lesson in forest conservation for this country today faces one of its gravest problems; the perpetuation of its greatest natural resource, the forests.

"Millions are to be spent on improved highways that the producer and consumer may be brought close together. Let us beautify these highways in the building. Let us keep the message Theodore Roosevelt gave us alive. The message was

that national prosperity and well being is dependent upon a nation's forests. With such a memorial, arousing the whole nation as it surely would for each would have a part. Theodore Roosevelt would both be honored and would know that his message had been heard."

COMING EVENTS

May 26-31, Wednesday, Monday—Grants Pass Chautauqua.

Oversight Was Remedied—

In a previous issue of the Oregon Motorist, mention was made of all the auto camps in the state, but the Grants Pass camp was overlooked for some reason. Secretary, Pittenger of the Chamber of Commerce, took the matter in hand and told the Motorist of a few of the facilities provided here for the convenience of the tourist. The letter was printed in full and should attract the travelers to the camp ground here.

Died at Weed—

The funeral of Mrs. Sarah Ann Marsh, who died May 5th at Weed, is to be held at Dunsmuir May 10. Mrs. Marsh formerly lived in this city, moving away about five years ago. Mrs. Hollie Nutt, a daughter, will leave this evening for Dunsmuir to attend the funeral. She was 73 years of age at the time of her death.
