If your battery is sluggish or lacks "pop," a good tonic charge in our station will put it back in shape for the strenuous new season's work. An outside charge works wonders with a battery—especially here—for after winter's use the battery is usually in a chronically partially discharged condition. Really unbiased service. GET WISE TO

O.G.C. FOR

GOITRE

Why suffer the discomforts and

embarrassments of a Goitre?

O. G. C. preparation for goitre has benefited many.

Why pay several hundred dollars for an operation to remove a goitre when O. G. C. can be obtained for such a comparatively small expenditure?

O. G. C. when properly applied gives satisfactory results, or your money will be refunded. O. G. C. is sold direct, by mail only. Write for booklet.

Unusual Value—In Tires for the Smaller Cars

Not only is characteristic Goodyear merit conspicuous in Goodyear Tires for the smaller cars, but ordinarily the first cost is found to be not greater than that of other tires; often it is actually less.

The combination of unusual value in first cost and very low final cost, of course, is a result of Goodyear experience, expertness and care employed as insistently in the making of 30x3-, 30x3 1/2- and 31x4-inch tires as it is in the construction of the famous Goodyear Cord Tires used on the highest-priced automobiles.

For this reason more cars using these sizes were factory-equipped last year with Goodyear Tires than with any other kind.

Get this unusual tire value to enjoy on your Ford, Chevrolet, Dort, Maxwell, or other car using one of these sizes, at the nearest Goodyear Service Station. Get these tires and Goodyear Heavy Tourist Tubes at this station.

30x3 1/2 Goodyear Double-Cure

Fabric, All-Weather Tread \$23.50

30x3 1/2 Goodyear Single-Cure

Fabric, Anti-Skid Tread \$21.50

Goodyear Heavy Tourist Tubes are thick, strong tubes that reinforce casings properly. Why risk a good casing with a cheap tube? Goodyear Heavy Tourist Tubes cost little more than tubes of less merit. 30x3 1/2 size in water-proof bag \$4.50
