TO THE PUBLIC OF JOSEPHINE COUNTY

Grants Pass, Ore.
May 17, 1929.

Several persons have asked me these questions:

"What do you stand for in aspiring for the office of County School Superintendent?"

"What are your qualifications for such a position?"

I am pleased to answer these questions through the columns of the Daily Courier that many people who do not know me may learn first hand who and what I am.

First: I stand for the prompt and efficient performance of the duties of office.

Politically I am a true Republican. I have always been a Republican, but in the performance of duties of office I stand for the prompt and honest performance of the same impartiality to all.

Secondly: I am a graduate of an Oregon State Normal School. I majored in mathematics and natural sciences. I hold an Oregon State Life Diploma, which entitles me to teach in any elementary or any high school in this state.

Soliciting your favor at the coming primary election.

I am yours for efficiency.
