

The Right Bank

One of the most important factors in your business success is having the right kind of a Bank to deal with.

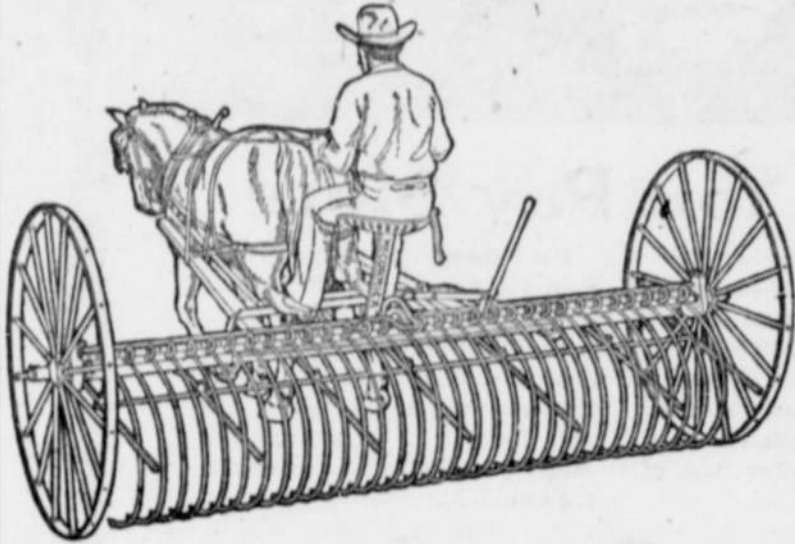

Too much care cannot be exercised in selection.

The all important consideration with this Bank is first to safeguard the money of its depositors and to render them such business service as to increase their prosperity and thus increase the value of the account.

Enjoyed Band Concert—

A large crowd turned out last night to hear the band concert at the railroad park. Under the direction of Bandmaster Walker, the band has become a first class organization. Concerts will be continued through-

out the summer and if the enthusiasm of last night can be taken as a criterion, they will be a most popular institution. 96
