Joins Forest Patrol—

Clinton Smith left last night for Brookings, where he will relieve F. M. Gruver, who is scaling C. & O. lumber for the government. Mr. Gruver will go to Medford to act as liaison officer there for the airplane forest patrol. It is said that the airplanes will soon begin to fly around here on their regular inspection trips of the forests.

Big Smoker Tonight—

Tonight's the night! City fire department please take notice! If a frantic alarm is turned in about 8 o'clock tonight saying the whole town is on fire, why don't get excited but just say to yourself, "Gee but I wish I could be there too." The Chamber of Commerce smoker will probably be in full blast at that time.
