Phonograph

On Special Terms

Only a Limited Number of Them But---

You will be surprised when you learn the Low First Payment and the Easy Weekly or Monthly Installments.

Such is the demand for Pathe machines that we do not often consider putting them out at unusual inducements. But for special sales purposes, we have set aside a limited number which will go at these terms—WHILE THEY LAST. But you will have to act quickly, for these favorable terms cease when this number of machines is gone.

HOME, SWEET HOME

IT'S one of the sweetest tritest songs ever written—and the owner of a Pathe realizes it. For the Pathe makes home the brighter, happier place to be.

SUMMERTIME it is brought out on the living porch where its charming melodies make more perfect the End of a Perfect Day. Always tirelessly ready to play for the restless feet of young folks, or to render everyone's favorite selection's, it promotes family harmony—in more ways than one.

THE wonderful Sapphire Ball is the secret of the Pathe's perfect sound reproduction. So exactly does this little jeweled ball fit the record grooves that absolute fidelity of tone is the result.

See us about our special terms today.

The Pathe costs no more than the ordinary Phonograph. Double Disc Records—85 cents.
