BUILD FOR THE FUTURE!

The Chamber of Commerce is earnestly and conscientiously working to the best of its present capacity for the upbuilding and general development of Josephine County and Grants Pass. But the Chamber is greatly handicapped in its plans and services on account of not having a sufficient and enthusiastic membership of county-wide representation.

Every Loyal Citizen

of Josephine County should be a member of the Chamber of Commerce and lend his time, brains and support to every proposition that comes up for the general development of this County. If you have not already done so, by all means

Join the Chamber of Commerce AT ONCE!

Don't hold the past so close to your eyes that you shut out the exceedingly rosy future for Josephine County.
