NO DISAPPOINTMENT HERE

Since the first wave of disappointment over the failure of a favorite son or a partisan candidate to obtain the republican presidential nomination, there has been a growing conviction that the ticket named at Chicago could not have been a better one. There is none of the stigma of swollen expenditures to be put down by Mr. Harding, and his campaign has been characterized by only the cleanest of policies. All the party can rally to the ticket with no bad taste left because Harding defeated the other fellow. There had been no bitterness in the pre-nomination campaign as had been engendered between other candidates who were credited with being the leaders. The democrats can find small room for encouragement in the situation.

They have a new warden at the mouth of the river. He says he will make the fishermen obey the law. If he does there is sure to be harmony. If he does not do his duty, there is sure to be more dissension. Upper river fishermen believe they are entitled to a fair deal and ask no more than that it be given. No doubt the residents at Gold Beach are anxious to play square.

With all of Josephine county a playground, there is no wonder that former residents and others flock here for the summer. "It's the Climate" is a good trade mark for advertising the county and there is no disappointment coming, for the goods are delivered as specified.

News dispatches carry the story that employes of the war risk insurance bureau are alleged to have embezzled money which should rightfully have gone to disabled soldiers. If it can be proved, bread and water would be far too good for the ones guilty of such a deed.

After the first revolution it was a risky thing for an officer to appear on the streets in uniform. They were emboldened by the Kapp coup last March and since then have been showing themselves in increasing

WOMEN'S RELIEF CORPS IS DOING MUCH WORK

The General Logan W. R. C. meeting held Saturday afternoon was as busy and interesting as ever. Business and initiation disposed of, President Mrs. Anna Stinebaugh introduced two visiting members, Mrs. Ivans, of Hasting, Neb., and Mrs. Whitney, of Roseburg. Both members spoke of the pleasure of being present, of the large membership and of the efficient work of the corps officers. At the close all marched to the dining room where cake, coffee and ice tea were served. A most pleasant hour was spent around the dainty lunch table by comrades, members and visitors, nearly 75 being present. Of special interest to Civil war veterans and corps members and their families, is the national convention to be held at Indianapolis in September, the 1-cent-a-mile rate making it possible for a large number to attend the annual convention.
