Rim Road Open—

The rim road around Crater Lake was thrown open to the public for driving yesterday afternoon for the first time this season, the last of the snow having disappeared, and visitors to the lake can now enjoy this wonderful scenic drive around the crater. Heretofore it has not been possible to use this road before early in August.—Medford Tribune.

NOTICE

The Grants Pass Feed Barn will open for business July 21 at the corner of Seventh and I streets, one block east of Fashion Garage.
