WHEREVER cross-country tours lead, over hills, through sandy roads or on long, steady grades, the driver of this five-passenger open car is assured the satisfaction that comes from the available power such as only the Buick Valve-in-Head motor can furnish. While economy, beauty, comfort and stability, for which Buick cars have long been noted, appeal to the owner, it is this sense or feeling of reserve power in the Buick Valve-In-Head motor that adds the final touch to contented motoring under all conditions.

TOURING CAR

---Economize on Gasoline and Oil

The big thing in automobiles nowadays is the gasoline consumption. The shrewd buyer demands a car that will give a high mileage average to the gallon. The DORT consistently delivers from 20 to 25 miles per gallon of gasoline and is equally as economical on oil and tires.
