OREGON WEATHER
Weather for the Week
Pacific Coast States. Generally
fair, but with probability of
occasional showers in Washing-
ton and Oregon. Normal tem-
peratures.

It is a wild guess now what the
democrats can possibly find for cam-
paign material since Will Hays has
taken away the main subject for
Governor Cox's speeches. Cox may
have to cancel a few of his dates for
the big "expose."

An automobile driver reports that
he was nearly hit last night by a
driver of a car who did not dim his
lights when approaching. Glaring

With hunting season but two days
off, it is time to begin hunting for
the old red shirt and hat. It is too
easy to be taken for a deer not to
take a few precautions.

GREATER STRENGTH
Fewer Spoonfuls
BIGGER SAVINGS
The value of bak-
ing powder is based on its
leavening strength. You
can't judge it by the size
of the can—or by the amount
you get for your money. You
must estimate it by the amount
of baking powder used in each
baking and the results you get.
CALUMET
is the greatest value ever
offered in Baking Powder—it
has greater raising "force"—it goes
further than most of the other
brands. You use only a rounded or
heaping teaspoonful where others
call for two teaspoonfuls or more.
But Baking Powder is not
all you'll save when using Calu-
met. You save baking materials,
Calumet never fails. The last level
teaspoonful is as powerful as the
first. Calumet is perfectly manu-
factured—keeps perfectly—and is
moderate in price.
You save when you buy it—You save when you use it
One trial will satisfy you of these
facts—and demonstrate beyond doubt that
"Calumet spells economy."
Your grocer sells it on a guarantee
of money back if you are not pleased with
results.
Calumet contains only such ingredients as
have been approved officially by the U. S.
Food Authorities.
HIGHEST QUALITY
AWARDS

OBSERVE THIS
When you buy a pound of Calumet you get a full
pound—16 oz. Some high priced baking powders are
now being put on the market in 12-oz. cans instead of a pound. Be
sure you are getting a pound when you want it. No short weights
with Calumet.
