

Call for CALUMET

Never accept anything else—no matter what the inducements. For, remember, nothing in the way of big bulk, low prices, premiums or extravagant claims can make up for the leavening value of Calumet.

Quality means everything in Baking Powder. You must have quality—purity—dependability to obtain satisfactory results, wholesome foods and real baking economy.

Contains *only* such ingredients as have been officially approved by the United States Food Authorities—proved merit.

Used by more housewives than any other brand. "Best by Test." Always makes sweetest and most wholesome of foods.

Made in world's largest, most modern and sanitary Baking Powder plants.
