KINNEY & TRUAX

101 and 105 North 6th

But if you find 'tis from the kidneys: That serious kidney troubles may follow: That dropsy or Bright's disease may be the fatal end.

You will be glad to know the following experience: 'Tis the statement of a Grants Pass citizen.

Mrs. Anna Orme, 200 S. 3rd St., says: "I used Doan's Kidney Pills several times when my kidneys troubled me and they always helped me. I had attacks of kidney complaint and felt tired out and run down. I had no energy and often had dizzy spells. My kidneys didn't act right at all and my limbs and ankles were swollen. I used Doan's Kidney Pills from Slover's Drug Store and they were what I needed.

Doan's soon relieved all signs of the trouble." Price 40c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Orme had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

Nobody thinks anything now of going away on a trip

THE railroads were partly responsible. But it wasn't until the automobile reached its present state of development that the old barriers against travel were finally broken down.
More people own automobiles today than ever thought of owning a horse and buggy in the old days.
That's because the cost of motoring has been brought within reach of the average citizen's pocketbook.
We look upon it as part of our job to keep it there. If it weren't for the trade of the man with the medium priced car there wouldn't be much in this tire business for us.
The less a man has to spend on motoring, the more important it is that his tires should be of first quality.
Any tire is not good enough for the small car owner. He wants a tire that will give him just as much for his money in the small size as the big car man gets for his money in the large size.
In thinking over what kind of tires we would represent in this community we tried to put ourselves in the place of the car owner. And we believe we hit it exactly when we selected U. S. Tires.
