LUCKY STRIKE
"IT'S TOASTED"

—the Cigarette

If you are a cigarette smoker, and unacquainted with Lucky Strike, buy a package today, and find out for yourself why they are so popular.

You will at once notice the delicious flavor of Burley tobacco, delivered to you absolutely fresh. It's toasted.

—the Tobacco

To pipe smokers Lucky Strike tobacco offers the same exceptional flavor as the famous cigarette. Made from the finest Burley tobacco—it's toasted for your pipe.

If you don't know how delicious toasted Lucky Strike is ask for a tin today, and taste!

IT'S TOASTED

The Burley tobacco leaves have pores, like a sponge. When "it's toasted" their pores are closed, the flavor sealed in, permanently. When you burn Lucky Strike in your pipe or cigarette, you are releasing the original Burley flavor that was sealed in by toasting. Exactly that. Heat seals it in, heat releases it.

You know how a bee seals in the flavor of honey with the thin coating of wax. This coating holds in that delicious honey flavor until it's used.

Just so the toasting process seals in the Burley flavor. This flavor is preserved until you release it by smoking. A wonderful process and a great discovery for smokers.
