COMING SUNDAY

Box Factory Again Running—
The box factory which has been closed down was started again this morning. The present outlook is for a continuous run throughout the winter.

Dancing Party—
At the Waldorf hall Saturday night. 96

Will Hold Meeting—
County Agent R. E. Miller is planning to attend the meeting of the cattlemen of the Illinois valley tomorrow. The meeting is to be held at Holland and it is expected that all the stock men of the valley will attend.

Survey Is Made—
J. R. Harvey returned yesterday from a mineral survey of the different districts of the county, which was being made by the government. The survey included all the territory from the mines adjacent to Grants Pass to the rough country around the Althouse. It was made by government experts who are attempting to

clear up title to the lands, some of which are under dispute, the railroads declaring some agricultural lands granted them by the government. The Jewett property in Fruitdale, for instance, was listed by the railroads as agricultural, while it is distinctly mineral land.

50-50 Dancing Club—
Will start promptly at 8:30 Friday evening. All are urged to be present. 95

Federal Commission Leaves—
The members of the federal trade commission hearing party left the city yesterday afternoon and today for Salt Lake City, where the hearing against the Utah-Idaho Sugar company will be resumed. It is hoped to have this hearing completed and the arguments in the case presented before the federal trade commission before Christmas. The hearing has already been on for six months.—Medford Tribune.
