AN IMPORTANT LETTER

BISHOP, CALIF.—"About five years ago I suffered severely. I consulted a local doctor and he said I would have to undergo an operation. When I said "No," he advised a course of treatments. I happened to think of Dr. Pierce's Medical Adviser, and in it I found my case thoroughly described. I sat right down and wrote to Dr. Pierce. I then tried Dr. Pierce's Favorite Prescription—took one bottle—also one bottle of 'Golden Medical Discovery,' and used the 'Lotion Tablets' and I have not been troubled since. I have had two fine healthy boys since then, and work hard. At that time I was not able to do my own work. I have used the 'Pleasant Pellets' for the liver and bowels for about 20 years, wouldn't be without them."—Mrs. S. G. ALBRIGHT, R. F. D. No. 1. Write to Dr. Pierce's Invalids' Hotel in Buffalo, N. Y., if you want free confidential medical advice, or send 50 cents for the "Medical Adviser."

DEAR OLD PETE:

Just wound up the one swellest day of my life! Since early this morning, when I got an invitation to visit R. J. Reynolds Tobacco Co. factories, I've been in the midst of millions of Camel cigarettes.

Man—the happiest idea you or I ever had as to the size of this Reynolds enterprise, or the number of Camels manufactured daily, is simply piker-stuff! Wipe off the slate and start fresh! Why—Pete, it seemed to me like a couple of those cigarette-making machines could keep half the nation smoking Camels steadily—BUT—honest to goodness, there are hundreds of these machines batting out Camels at the rate of 27,000 an hour—EACH!

Pete, you wouldn't have to consult a guide book to know you were in the Camel factories! The atmosphere is charged with that wonderful aroma you get when you open up a deck of Camels! And, you know, old elephant—you've had a trunk full!

As the Camels dropped into the containers I figured the delight each one would supply! And, how Camels mellow, mild body would hit the right spot and how Camels refreshing flavor would cheer up some smoker's jaded appetite! And, each Camel free from any unpleasant cigarette aftertaste or unpleasant cigarette odor! And—

Pete—I'll have to lay off and light another Camel! Write you some more soon.

Yours joyously
