Medford High Suspended—

The Medford high school has been suspended from the state high school athletic association according to an announcement yesterday by state superintendent of schools J. A. Churchill. The Medford team was accused by the Klamath Falls high school authorities of playing men on the football team who were over age. The matter was taken up with the state association and the Medford team will be disbarred from future athletics until they can disprove the charges of the Klamath team. The game with Klamath Falls was declared forfeited to Klamath Falls, although it was won by Medford. The local team was to play with Medford next Saturday at Medford, but in the face of the new developments the game will be called off. It is probable that the first game with Medford will also be declared forfeited.

Wednesday Night—

At 9 o'clock the grand march starts at the Hallowe'en masquerade.
