Howdy from New Orleans, PETE!

Say, old clock, you've got the time—maybe you'd like to hear this one! As we were rolling into New Orleans yesterday one of the men in the club car was recounting his cigarette experiences; how he finally pulled a trick on his luck and got set right!

"Well, I've had my cigarette lesson", continued the traveller, "I went up and down the line on cigarettes until I got hold of Camels and got deep into their quality and mildness and delightful flavor! There never was a blend such as Camels combination of choice Turkish and choice Domestic tobaccos! I'll say it—Camels taught me what a cigarette should be and they'll teach any man who smokes!" Thinks I to myself — "Sic 'em, judge, every word you spill is a sentence!"

Now, Pete, that's the kind of Camel thanksgiving stuff you get North, East, South, West and through the middle! That's all as true as that little sheep will wag their tails!

I did some tall thinking as I browsed through the quaint old French quarter this evening—how universal the appeal of Camel cigarettes really is! Figure the travelling I've done and the people I've met — each city different from the other — AND Camels have been the ONE cigarette to be found everywhere—and the cigarette most smoked at each point! Pete, old backstop, it's wonderful the way smokers are sliding home to Camels!

Dallas, Texas, for me!

Yours

Shorty.

FEWER GOLDEN WEDDINGS

Late Marriages and the Divorce Courts Reduce the Number of These Anniversaries.

More and more infrequently with the succeeding years do we read of the observance of the golden wedding anniversary. Memory recalls the time when such celebrations were of frequent occurrence; when the sons and daughters, grandchildren and often great-grandchildren gathered to honor and felicitate those who had shared the joys and sorrows of two-score-ten years and invoke heaven's blessing upon them as they continued hand in hand the journey toward life's sunset.

This infrequency may be due in a measure to the present custom of marrying at a later age than was the rule several generations ago and to the fact that we of the present seem to fall earlier under the hand of the grim reaper than did our sturdier ancestors. But to the divorce evil may be accredited the greater part of the blame. The present-day marriage is too often hastily contracted, the parties thereto fail to weigh carefully the responsibilities of married life, and the most trivial differences sometimes lead to separation. The number of couples who live to round out fifty years of matrimonial companionship becomes ever smaller and smaller.

Doctor Cupid

That love sometimes cures disease is a fact that has been called to the attention of the public by a prominent physician. Love is not, however, the cure for all women. Many a woman is nervous and irritable, feels dragged down and worn out for no reason that she can think of.

Doctor Pierce's Favorite Prescription gives new life and new strength to weak, worn-out, run-down women. "Favorite Prescription" makes weak women strong and sick women well. It is now sold by all druggists in the United States in tablets as well as liquid form.

ROSEBURG, OREGON—"I suffered something terrible from an organic trouble. Could scarcely stand on my feet. My head and back ached so hard and I was weak and nervous. I had severe pains in my side and my limbs and feet ached. I was also troubled with constipation. I took Dr. Pierce's Favorite Prescription, Golden Medical Discovery, and Pleasant Pellets. These medicines cured me of all my ailments and I was well and strong."—Mrs. W. D. MOORE, 1246 N. Jackson Street.

REMEMBER to ask your grocer for Calumet Baking Powder and be sure that you get it—the Indian head on the orange label.

Then forget about bake day failures. For you will never have any. Calumet always produces the sweetest and most palatable foods.

And now remember, you always use less than of most other brands because it possesses greater leavening strength.

Now Remember—Always Use

CALUMET BAKING POWDER

There is no waste. If a recipe calls for one egg—two cups of flour—half a cup of milk—that's all you use. You never have to re-bake.

Contains only such ingredients as have been officially approved by U. S. Food Authorities, is the product of the largest, most modern and sanitary Baking Powder Factories in existence.

Pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Columbian Muffin Recipe
—4 cups sifted flour, 4 level teaspoons Calumet Baking Powder, 1 tablespoon sugar, 1 teaspoon salt, 2 eggs, 2 cups of sweet milk. Then mix in the regular way.
