**Albertina Kear Home**—  
There will be a meeting at 8 o'clock at the Methodist church Tuesday night, which all women interested in the Albertina Kear nursery home are invited to attend. The plans to furnish the home will be discussed at that time.

**Association is Organized**—  
D. J. Manuel and wife, accompanied by Mrs. Batman, Mrs. Dixon and O. J. Law drove over to Medford Friday to a conference of the Churches of Christ of Jackson and Josephine counties. The conference resulted in the organization of the Southwest Oregon district of Churches of Christ, with O. J. Law, president; D. E. Millard, minister at Medford, vice president, and Mrs. Cooper, of Ashland, secretary and treasurer.

**Strawberries—Everbearing**—  
In fact all kinds. Now is the time to set out. Place your order now with the Old Reliable Albany Nurseries for your wants in the nursery line. Write or see E. B. Jordan, special agent, at 266 North Nevada street, Grants Pass. 71 45-23

**Hogs Were Shipped**—  
Josephine county farmers are congratulating themselves on the fact that the two carloads of hogs shipped from the county during the past week were placed on the Portland market on Monday instead of a few days later. The 204 head shipped from here were sold at the market price of \$14. The hog market became demoralized the latter part of the week and the quotations from Portland today are the lowest in years, porkers bringing but \$12 per 160 lbs.

**Fishing Was Excellent**—  
Some of the local fishermen who happened out with their rods yesterday were more than rewarded for their trouble. The high water of the past few days has forced the fish in close to shore in the still water and they take salmon eggs greedily. Large catches of steelheads and silversides were reported and also a large number of smaller trout.

**River Going Down**—  
The river was about a foot lower in the wide parts today than it was yesterday at its highest stage. It started up yesterday morning and went almost to as high a point as it did Wednesday. With the clearing off of the weather and a cold night in prospect, it is thought that the river will soon return to its normal stage when work will be rushed on the construction at the dam.

**To Speak Sunday**—  
Judge J. E. Byers, of Polson, will speak in the Methodist Epworth League room on "The Road to Peace of Jesus Christ," Sunday, Nov. 21, at 6 o'clock. Everybody welcome. 31
