AMUSEMENTS

Vera Gordon who plays Mama Kantor, in the never-to-be-forgotten "Humoresque" is making screen history at the Oregon theatre. Each soft expression of the mobile features, each delicate smile, each tear or twinkle of the eye, is caught by the camera—she is always the same, moving through a story that is continually changing, yet leaving her the dominant, inspiring, golden wool upon which the silken tale is woven.

"HUMORESQUE"

has come, has been seen, has conquered. These are not just words—frothy words. They're as real, as true, as actual as the glowing of the sun.

Other pictures may come and other pictures may go, but the spirit of "Humoresque" will live on and on.

People came to the Oregon yesterday and went away inspired—and all Grants Pass will be inspired.

"Humoresque" triumphed because it ought to triumph—and everybody will be glad. Glad that there is such a writer as Fannie Hurst—glad there is such a director as Frank Borzage.

Glad that there are such actors as Alma Rubens, Gaston Glass, Vera Gordon.

Ford
THE UNIVERSAL CAR

**Lowest in Price—
Highest in Quality**

Every part of the Ford Chassis subject to any stress or strain is vanadium or molybdenum steel—with three to four times the strength of the highest quality ordinary steel, because of Ford heat treatment methods.

The entire Chassis weighs only 1080 lbs.—the lightest automobile chassis in the world, and the strongest because of the quality in each part of it. If freight cars were made of the same quality material each car could carry four times its present capacity load safely!

The Ford chassis is the highest quality material in any automobile regardless of price.

Yet the Ford car is lowest in first cost; lowest in depreciation cost; lowest in tire cost; lowest in cost of upkeep, maintenance and repairs.

It is the Universal Car—the car everyone can afford to own and to drive. Every family in Oregon needs one—to save time, to promote health, and to bring the Oregon mountains and streams closer to your own home.

Chassis (starter \$70.00 additional)	\$360.00	\$410.00 (without starter)
Runabout (starter \$70.00 additional)	395.00	440.00 (without starter)
