"for clean oil in a clean engine"
Inside facts on a dirty job!

YOUR ENGINE requires an internal bath frequently. Road dust, carbon from the combustion chamber, and fine particles of metal worn from the bearing surfaces get into the lubricating oil in the crankcase. All this dirt circulates with the oil through the engine. If it isn't drained out regularly there's bound to be excessive wear and tear.

Gasoline also escapes past the pistons and dilutes the oil.

Modern Crankcase Cleaning Service gets rid of the dirty, diluted oil,

flushes the crankcase thoroughly and refills with clean, fresh oil.

The garages listed below are now equipped to perform this needed service quickly and for a nominal charge. We use Calol Flushing Oil, which cleanses thoroughly without danger of contaminating the fresh Zerolene refilled into the cleaned crankcase.

TODAY: Bring in your car for Modern Crankcase Cleaning Service. It will result in better engine performance and longer life for your car.

Moose Head Lake Maine

PETE, HERE'S WORD FROM THE WOODS!

Certainly slipped on not tipping you that Mr. Bacon invited me to join his shooting party up here. Arrived at his Northeast Carry camp at sunset yesterday. And a riot started before we squared up to the venison steak! Listen, old bull pup—my tale's short!

Bleak Nixon, chief guide, while unpacking, made the terrible discovery that all the Camel cigarette supplies had been swiped in transit! Never heard such a howl as the whole outfit set up! Nixon swore in Indian-plus-Canuck! Just wouldn't be pacified! Bleak's been rooting for Camels since November, 1915. Says there never was such smoothness, or refreshing flavor, or mild body in a cigarette as Camels provide! (Pete, Bleak is O. K. on that). While the row was on what does Nixon do but hop into his canoe and disappear into the depths of the dark, dank night!

About three this morning there was a roar such as no man ever heard in the wild woods! It was Nixon yelling like a double-decked bull moose! That bird had crossed the lake, picked up a trail and beat it to a little way-back store where he got the boss out of bed and made him come across with all the Camels he had. The storekeeper kicked like a handfull of aces—but, Bleak always gets what he goes after! It's the nerve, old tooth! And, now we're all filled with the milk of human kindness and Camel contentment! We'll get game!

Peter, think of digging up a bunch of Camels in the depth of Maine's densest woods! And, that's the way it is all over the U. S. A.! You're never out of luck when you smoke Camels! Peter, old hub, I've spoke—as the cook puts it!

Back in New York—well,—soon
Your old pal
