ACHES AND PAINS—SLOAN'S GETS 'EM!

Famous pain and ache Liniment. kept handy, brings warming, gratifying relief

RHEUMATIC twinges ease up soon. So do stiff joints, lame back, neuralgia, overtaxed muscles, and those pains from weather exposure, too—they don't fight long against the counter-irritation that Sloan's Liniment produces.

Always keep this old family-friendly handy for instant use—a little penetrates without rubbing, leaving no skin stains, rashes, or clogged pores. Its very odor—healthy and stimulating—suggests the good it will do.

All druggists. Three sizes—35c, 70c, \$1.40. Largest size is most economical.

MORNING TO YOU, PETE!

Kansas City, Mo.
—late at night!

Who crossed my trail in the hotel this afternoon but "Long Sam" Weaver! Last time I saw Sam to him was that night of July 15th when our old 38th clinched the "Rock of the Marne" title! And, I guess you won't forget that night, old glue pot—everybody was stuck on you!

Sam and I fought the war all over again and dug into our Camel supplies like it was "free commissary". Sam never will get all done talking about that session when we couldn't move a hair without getting a close shave—and, no eats or smokes!

Sam has some song about how good Camels were to him in France—and ever since! That bird has the warble! Why, Camel talk trickles off his tongue like water flows over Pa Smith's mill dam! Pete, old carpet tack, Sam has a head all right!

"Camels certainly are friendly", was the way Sam put it in his old-time vigor-vim style. "You know as well as I do", he added, "that no other cigarette has such a mild, mellow body. And, there's no harshness or tiredness of taste in a million Camels! No objectionable odor, no lingering unpleasant aftertaste! Summing it all up, Shorty, I'll say Camels are the greatest cigarettes in the world at any price!"

Headed southeast tonight, with Winston-Salem, N. C. my first port of call. Some jump from K. C.! Pete, it's Winston-Salem where Camels are made! GET ME!

Sincerely
Shorty.
