Paint Creates Prosperity

SAVE THE SURFACE AND YOU SAVE ALL.

The "run down" house (there is one near you) is fast going to ruin merely because the owner unwisely neglects to keep it protected with paint.

It costs more not to paint than to paint. Paint saves the surface and protects the building from sun, rain, frost and varying weather conditions that bring destruction.

Prosperity demands the protection of all exposed surfaces with a good paint.

ACME QUALITY

HOUSE PAINT

gives lasting protection and beauty.

It costs less because it takes less and lasts longer.

Call at our store and let us show you color samples and assist you in selecting the proper color combinations that will make your house appear to the best advantage.
