Aged Woman Ill and Needy

The Salvation Army is making a request of the citizens for articles of furniture for use in the home of an aged woman who is ill and needy. The woman is one of the oldest residents and is now suffering with pneumonia. In her measure home she has but little furniture, the bed being only old springs set on blocks. Bed clothing and furniture are needed now, and later, when the woman is recovered from her illness, articles of food will be required. Notify the Salvation Army if you can assist. The assistance from the county is not sufficient for the present need.

Obey the Traffic Laws

Chief McLane states that the troubles of the autoist and of the pedestrian will be greatly relieved if both will give better observance of traffic laws, and that they will re-

Here's Help

MANY bed-ridden sufferers from backache and rheumatic pains owe their condition to the fact that they neglected the first warning of kidney trouble. Prompt action at the first sign of disordered kidneys will prevent much suffering. Keep the blood stream pure by keeping the kidneys healthy and the poisonous waste matter that causes pain and misery will be eliminated from the system.

Foley Kidney Pills

have brought relief to thousands of suffering men and women who were afflicted with backache, rheumatic pain, stiff or swollen joints, sore muscles, dizziness, puffiness under eyes, floating specks, biliousness, bladder weakness, loss of appetite or other symptoms of kidney trouble.

Mrs. Sam C. Small Clayton, N. M., writes: "In January I was taken bad with my kidneys and bladder. I had been in bed two months, but kept getting worse. Then I got an advertisement in the Clayton News for Foley Kidney Pills and we sent for some. They have done me more good than all the medicines I have taken. I am better than I have been for years."

move the danger of having to appear before the bar of justice one of these days. Pedestrians use the pavement often instead of the sidewalks, thus endangering their own lives and interfering with traffic. Cutting corners and crossing the street wherever it happens are also complaints. Grants Pass is developing a large class of jay walkers.

L. Reynolds, of the Bonbonniere, will leave this evening for Salem and other points in the northern part of the state.

AMUSEMENTS

Maurice Tourneur's latest Paramount production, "The Bait" in which Hope Hampton, a beautiful screen player is featured, and which comes to the Rivoli theater today for a two days showing, is said to be exceedingly worth while. The story is a powerful one and the situations are said to be dramatic to a degree. The supporting cast is excellent.

May Prove Fatal

When Will Grants Pass People Learn the Importance of It? Backache is only a simple thing at first!

But if you find 'tis from the kidneys! That serious kidney troubles may follow!

That droopy or Bright's disease may be the fatal end. You will be glad to know the following experience.

"'Tis the statement of a Grants Pass citizen. Mrs. Anna Orme, 200 S. 3rd St., says: "I used Doan's Kidney Pills several times when my kidneys troubled me and they always helped me. I had attacks of kidney complaint and felt tired out and run down. I had no energy and often had dizzy spells. My kidneys didn't act right at all and my limbs and ankles were swollen. I used Doan's Kidney Pills from Slover's Drug Store and they were what I needed. Doan's soon relieved all signs of the trouble."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Orme had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.
