When Grandmother Was a Girl HOOP skirts were worn by those who first asked the druggist for, and insisted on having, the genuine Golden Medical Discovery put up by Dr. Pierce over 50 years ago. Dress has changed very much since then! But Dr. Pierce's medicines contain the same dependable ingredients. They are standard today just as they were fifty years ago and never contained alcohol. Dr. Pierce's Golden Medical Discovery for the stomach and blood cannot be surpassed by any tonic and alterative today. When you feel "all out of sorts" —your vitality at a low ebb—the blood becomes surcharged with poisons! The best tonic is called Dr. Pierce's Golden Medical Discovery. Dr. Pierce manufactured this "Discovery" from roots and barks without alcohol—a corrective remedy, the ingredients of which nature put in the fields and forests for keeping us healthy. It puts vim, vigor, vitality into the blood. Try it. All druggists. Liquid or tablets.

AMUSEMENTS Wallace Reid Again There can be little doubt that if Wallace Reid should open up in any town the sort of a school which is shown in his new Paramount picture, "The Charm School," which is presented with success at the Rivoli, he would get more pupils than he could properly care for. A world of romance develops, and no wonder, with handsome "Wally" as the principal and fifty beauties as pupils. This is one of the most delightful light comedies that has been screened for some time. Lila Lee is leading woman and an excellent cast supports the star.
