THE BALLOT BOX IN JUNE

The troubles of the common peo-  
ple are not all over when the legis-  
lative session finally comes to an end.  
The legislators will to the voters a  
list of measures that must pass muster  
at a special election to become the  
laws of the land. One June 7th,  
next, a special election will be held  
at which five questions will be sub-  
mitted to the voters, the principal  
question, and one upon which there  
can be little difference of opinion,  
being the soldier's bonus bill. This  
appears as a constitutional amend-  
ment, its purpose being to provide for  
the issuance of bonds not to exceed  
3 per cent of the assessed valuation  
of all property in the state to raise  
money to be loaned in amounts of not  
more than \$4,000 or paid as a bonus  
of \$15 for each month of active ser-  
vice, but not exceeding \$500, to each  
honorably discharged resident of  
Oregon who served in the United  
States army, navy or marine services  
during the late war, the period of  
service being between the date of de-  
claring war, April 6th, 1917, and the  
signing of the armistice, November  
11th, 1918. The adoption of this  
amendment is the real occasion for  
the calling of the special election,  
and the purpose is applauded by the  
citizens of the state. The Courier  
will, previous to the date of election,  
give the arguments advanced for the

How Spider Spans Space.  
By trailing a thread behind him a  
spider is able to drop from any height  
to the ground, or any solid substance,  
and retract his steps with a certainty  
to a particular spot. Having once re-  
tracted his steps, he can drop in an-  
other direction, returning along the  
thread spun on the second trip. This  
will continue indefinitely, during  
which operation the spider is con-  
tinually spanning a space with his  
web.

Freedom.

Freedom is the word that is many  
sided. There are those who boast of  
freedom of conscience who seem to  
interpret it simply as with that of  
other people. There are those who  
seem to fancy that their rights as citi-  
zens entitle them to unquestioned  
trampling upon rights of anybody else  
who chances to stand in their way.—

encircled by a boulevard on which  
fronts the homes of progressive citi-  
zens, is also a beautiful spot.

Orlando has many industries; there  
are four banks with close to \$9,000,-  
000 in deposits. Its building pro-  
gram in 1920 represented more than  
\$2,000,000. A \$1,000,000 apartment  
house and \$3,000,000 tourist hotel  
are in the 1921 program. There is a  
\$200,000 hospital and an 18-hole

golf course, excellent theaters, a  
Chauteau, tourist club and wom-  
en's club. For annual events Or-  
lando has a spring musical festival  
and an annual subtropical midwinter  
fair. For the entertainment of the  
winter visitors the Orlando business  
interests engaged the Royal Scotch  
Highlanders band of 25 pieces at  
\$15,000 for 10 weeks during Janu-  
ary, February and March of this  
year. Orlando is going out for new  
business and also the tourist busi-  
ness and with great success. They  
believe that when they interest a  
tourist they are interesting a pros-  
pective new resident.

The visit of the newspaper people  
of the nation was an event which  
gave the people of the city an oppor-  
tunity to show their wonderful hospi-  
tality, and Orlando people lived up  
to their opportunity. The entire com-  
pany was taken to the country club  
and given an elaborate banquet, at  
which Irving Bachelor, the noted au-  
thor and a resident of Orlando, was  
the principal speaker. The Orlando  
board of trade also had placed  
aboard the special editorial train  
450 half-boxes of choice oranges so  
the individual members of the edi-  
torial party could send a sample of  
Florida fruit to the home folks.

You would not think of cleaning your linen by a vacuum clean-  
er or whisk broom. You'd wash it.

How much more necessary it is that your rugs and carpets, into  
which are trampled dirt and grime and grease of the streets day af-  
ter day, should be thoroughly washed in order to be clean.

Now, you may have them washed and dried, STERILIZED and  
entirely cleaned by the famous HAMILTON BEACH CARPET  
WASHER. All the brilliant colors, the beautiful designs, the gor-  
geous patterns that pleased you when you purchased your rugs and  
carpets will come back to light. You'll have NEW RUGS FOR OLD.

AFTER a baking falls—  
it becomes tough or soggy,  
you can't make it tender and  
tempting. It can't be "fixed."  
It is like spilled milk—  
"wasted."

But, there is a way to pre-  
vent this waste—every  
woman should use it—be-  
cause a bake day loss these  
days is a real loss.

tively prevents failure. It  
has been doing it for millions of  
housewives for a third of a century.
