It's pure in the baking. Calumet never fails to produce the sweetest and most palatable of nourishing foods.

It has more than the ordinary leavening strength. You use less of it. That's one reason it is the most economical of all leaveners.

Another reason is—it is sold at a moderate price—you save when you buy it.

A pound can of Calumet contains full 16 oz. Some baking powders come in 12 oz. cans instead of 16 oz. cans. Be sure you get a pound when you want it.

Calumet Waffle Recipe

2 1/4 cups sifted pastry flour, 3 level teaspoons Calumet Baking Powder, 1/4 teaspoon salt, 1 1/2 cups milk, 1 tablespoon sugar, 2 tablespoons melted butter, 2 eggs beaten separately. The mix in the regular way.

Are you living by the pure food plan? Choice meats help to build a man. Have you tried the meats we sell? Eat them if you'd live quite well. Keep our number in your mind. This shop's not so hard to find.
