GRANTS PASS, JOSEPHINE COUNTY, OREGON.

TUESDAY, JUNE 21, 1921.

WHOLE NUMBER 3309.

SIX STRIKERS JAILED AFTER NIGHT BATTLE

**POLICE AND SAILORS HAVE
SHOOTING AFFRAY IN PORT-
LAND—ONE IS KILLED**

ATTACK ON CREW PLANNED

**Officers Say That Men Were Lying in
Wait for Members of Crew of
Tank Steamer**

Portland, June 21.—(A. P.)—Six striking sailors were in jail today following a shooting affray between the police and strikers last night in which a man supposed to be John Darrell, a striker, was killed. The police say the strikers were lying in wait for members of the crew of the tank steamer City of Reno when the battle started. One of the gang escaped.

TWINS ARRIVE IN TIME TO PREVENT DIVORCE

Chicago, June 21.—(A. P.)—An hour before the divorce suit of Mrs. Edward C. Pettit was to be called, she became the mother of twins. When the event was announced in court the suit was dismissed and the family became reunited.

ENGLISH GIVE OVATION TO THEIR KING AND QUEEN

London, June 21.—(A. P.)—King George and Queen Mary were given a great ovation at the depot today when they left for Belfast to open parliament. Great crowds cheered them and sang the national anthem.

DEPARTMENT OF JUSTICE ASKS MONEY OF CONGRESS

New York, June 21.—(A. P.)—The department of justice will ask congress for \$25,000,000 to press the prosecution of 4500 individuals and corporations alleged to be involved in building trust frauds, it was announced today.

Fire Department Called—

The fire department was called out yesterday afternoon to put out a grass fire near Olding's garage. No trouble was encountered, the chemical being used. The fire became rather hot before the truck reached the place.

SHIPPING BOARD MAY INAUGURATE SERVICE

Manila, P. I., June 21.—(A. P.)—If the planters and the insular government of the Philippines will cooperate in the project, the United States Shipping Board is prepared to inaugurate a steamship service to small ports of the Visayan and the southern islands of the Philippine archipelago, that will put shippers in direct touch with their markets abroad by means of through bills of lading.

With a view to inaugurating such a steamship service, Joseph P. Marias, head of the shipping board in the Philippines, has just completed a trip to the southern ports, including those of Mindanao. "One important thing required for the development of these smaller ports," said Mr. Marias, "is a dock-building plan. Instead of dribbling small appropriations out to these places from year to year, which are too small for the undertaking of adequate projects each year, a larger sum should be spent to construct a dock and provide facilities at one port."

Mr. Marias assured the planters in the vicinity of Davao, the principal port of southern Mindanao, that if the service is once started by the shipping board, it would be continued indefinitely. He said he would regard it as a feeder service for deep water ships, similar to routes which have been recently established in China.

SPECULATION IS TARGET OF LABOR

**Convention Seeks to Abolish Gamb-
ling in Grain Futures—Investi-
gation Is Asked**

Denver, June 21.—(A. P.)—Abolition of gambling in grain futures and government regulation of corporations was urged today by the convention of the American Federation of Labor, to combat the high cost of living. Congress will be asked to investigate all industries.

NORTHERN BAPTISTS MEET IN DES MOINES

Des Moines, Ia., June 21.—(A. P.)—More than five thousand persons, delegates and visitors, are in Des Moines this afternoon in anticipation of the opening of the fourteenth annual convention of the Northern Baptist conference here tomorrow. Many of the visitors came from India, China and other countries in Asia, from South and Central America, and from various countries in Europe and Africa.

Nate E. Kendall, governor of Iowa and H. H. Barton, mayor of Des Moines were on the program to extend a welcome to the visitors. Ernest L. Tustin of Philadelphia, president of the Northern Baptist conference, will respond on behalf of the visitors.

Following the report of the executive committee the president will deliver an address. Rev. C. N. Arbuckle of Newton Center, Mass., is next on the program and will speak on "Fellowship in Christ." The report of the finance committee will end the morning session.

The afternoon will be given over to a jubilee of the Women's American Baptist Foreign Mission society. President Tustin will extend a welcome and the response is to be made by Mrs. W. A. Montgomery, president of the society. Presentation of the jubilee offering to the denomination through the Northern Baptist convention will follow.

Mrs. Andrew McLeish, of Glencoe, Ill., a prominent missionary worker, is to speak on "The Work of Our Society at the Home Base." This will be followed by an appreciation of the work of 50 years in foreign fields—India, Assam, China, Burma and Japan.

At 5 o'clock the delegates will receive nominations from states.

PULLMAN COMPANY LOSES IN FIGHT FOR OPEN SHOP

Chicago, June 21.—(A. P.)—The Pullman Company lost its open shop fight before the federal labor board today, when the contention of the union leaders that the company had not obeyed the letter and spirit of the transportation act was upheld. The company's petition for a cut in the wages of shop employees was rejected.

AUDITORIUM PLANS BEFORE COMMITTEE

The building committee representing the various organizations of the community to have charge of the construction of an exposition building and auditorium to be erected in conjunction with the fair grounds recently purchased, met last night for organization. County Judge Eclus Pollock is ex-officio chairman of the building committee, and active officers elected were: Wilford Allen, chairman; M. L. Opdycke, secretary, and K. Hammerbacher and A. J. Green, members of the committee.

A tentative plan for the building is now being drafted and it is hoped to have active work under way within a few days. The building will house the county fair this fall and will be available for many community meetings and enterprises. One of the proposed features of the auditorium will be a maple dancing floor 90x100 feet in size, the best floor in Southern Oregon.

SEARCH BEGUN FOR LOST CREW OF SCHOONER

**GOVERNMENT WILL CONDUCT A
WORLD WIDE HUNT TO SOLVE
SHIP MYSTERY**

HEWITT IS ALSO SOUGHT

**Investigation Being Carried on by the
Departments of Justice and
Commerce**

Washington, June 21.—(A. P.)—A world-wide search was started through the state department for the missing crew of the schooner Carroll A, which was piled on the North Carolina beach last January with all sails set and not a living soul on board.

The mystery is being investigated by the departments of commerce and justice, as is also the unexplained disappearance of the American steamer Hewitt, bound from Sabine Pass, Texas, for Boston, which disappeared about the same time the Deering came ashore.

NATIONAL CONVENTION OF BUILDING OWNERS OPENS

Portland, June 21.—(A. P.)—The national convention of building owners opened today. The delegates were welcomed by Governor Olcott. A special train arrived with 150 delegates from eastern cities.

PORTLAND MARKETS

Choice Steers\$7.00 @ \$7.50
Hogs, prime light\$8.75 @ \$9.00

Butter, extra cubes31

Portland, June 21.—(A. P.)—All livestock is 25c to 75c lower. Eggs, slow; butter, slow.

EINSTEIN RELATIVITY THEORY WILL BE SUBJECTED TO PRACTICAL TEST

Chicago, June 21.—(A. P.)—The Einstein theory of relativity is to be subject to a new practical test by Prof. Albert A. Michelson of the University of Chicago, whose discoveries led to its formulation. The forthcoming experiment is expected either to lend substantial support to the theory or to disprove it.

Prof. Michelson, who is now lecturing at the University of Paris, is expected back about July 1st and the test is planned within the next year. It will be conducted under the auspices of the University of Chicago, either in this city or in some mountainous country.

The experiment has been undertaken at the request of Dr. Ludwig Silberstein of the Eastman Research Laboratories at Rochester, N. Y., who has worked out its terms. It is said that Professor Albert Einstein on his recent visit to the United States expressed his belief in the efficacy of the experiment.

Just what it is planned to do to determine whether Einstein's theory holds or not was explained here today by Prof. Robert A. Millikan, colleague of Prof. Michelson in the department of physics of the University of Chicago. Divesting the subject of technical details, Prof. Millikan said: "This is, as a matter of fact, an experiment suggested by Prof. Michelson 20 years ago as one way of testing whether or not it is possible to detect a motion of the earth with respect to the medium which carries light."

"All efforts thus far made to detect by means of light effects the motion of any material body with respect to the ether have failed. But all preceding attempts have been made with the idea of trying to measure the linear motion through space of a point on the earth with respect

IRISH EARL IS KIDNAPPED BY OUTLAW BAND

**JAMES FRANCIS BERNARD TAK-
EN FROM HOME AT BANTRY
THIS MORNING**

CASTLE FIRED BY BANDITS

**Servants and Wife Imprisoned in
Small Room While Crime Was
Being Committed**

Cork, June 21.—(A. P.)—James Francis Bernard, fourth Earl of Bandon, was kidnapped from his home at Bantry this morning by a band of men. Castle Bernard, his home, was set afire by the kidnapers. The earl's whereabouts are unknown.

While the earl was being kidnapped and the castle fired, Lady Bandon and the servants were locked in a room adjoining the stables.

NAVAL SEAPLANE BURNS, CREW OF 10 RESCUED

Newport News, Va., June 21.—(A. P.)—A navy seaplane bound for tests at sea, fell in Hampton Roads and was burned. It carried 10 men, all of whom were rescued.

Later reports were that the seaplane caught on fire in the air and fell. The machine is a complete wreck.

DAWES SELECTED TO HEAD BUDGET UNDER NEW LAW

Washington, June 21.—(A. P.)—Charles G. Dawes was selected by the president as controller of the budget law recently enacted by congress.

PORTLAND STRAWBERRIES AT NEW LOW PRICE LEVEL

Portland, June 21.—(A. P.)—Strawberries were selling in the retail markets today at \$1.10 per crate. Many growers peddled today's pickings from house to house.

HOUSE IS URGED TO TAKE ACTION

**Labor Shortage in Hawaiian Islands
Critical Committee Is Told by
Head of Delegation**

Washington, June 21.—(A. P.)—Walter F. Dillingham, heading the delegation from the Hawaiian legislature, told the house immigration committee today that the industrial and political control of the islands would soon pass to the Japanese unless the present agricultural labor shortage was relieved. The emergency demanded immediate action, he said, and urged the lifting of immigration restrictions on alien labor.

CHRISTIAN TEAM IS WINNER IN CONTEST

In a battle between pitchers, the Christians last night won from the Baptists with one lone run. This came in the second half of the second inning when E. Pruitt, the Christian pitcher, secured a hit and rounded the bases on passed balls. Neither side was able to hit, the Baptists getting no hits off Pruitt, and the Christians chalking up but two off the offerings of Howard Bears. Both pitchers were handicapped by the inability of the catchers to hold them down.

In the first inning, Fields got on first but was caught off the sack. As a rule, the batters on both sides were made to look like animated sign posts, being unable to figure out the deliveries of the twirlers. Bears came to bat first for the Baptists and clouted the ball into right field, where it was dropped by Bryan. He was unable to score, dying on third. In the last of the fourth, Pruitt laid on the first ball offered and when the sphere quit rolling, the pride of the Christians had crossed the home plate. He had been too intent on watching the ball, however, and did not see second base. He was called out for failure to touch this bag. Pruitt almost got in a hole in the first of the fifth with Bailey on third and Bears at bat. Pruitt managed to keep the pill out of reach of the big Baptist and gave him a free ride to first. He fanned the next man up.

The lineup Baptists—Bears P., Megargle c., Fields 1b., Hackett 2b., Bailey 3b., Roberts ss., Clapp lf., Entriken cf., McKinney if. Christians—E. Pruitt p., Van Loan c., Parsons 1b., Smith 2b., V. Pruitt 3b., Ryan ss., Crockett rf., Bryan cf., Colwell lf.

The next game will be played this evening between the Methodists and the Baptists.

Salmon Being Caught—

The commercial fishermen are beginning to make fairly good catches each night. Last night 1760 pounds were brought in, the fish bringing the fishermen about 10 cents a pound. Aldenberg was high boat with 250 pounds. They report that with the lower water, the fishing is getting better. The salmon are of first class quality, are of large size and in excellent condition.

CALL FOR CAVES ROAD BIDS TO BE PRINTED

A notice to contractors will be printed in the Courier tomorrow calling for bids for the construction of approximately eight and a half miles of highway to the Oregon caves. The contract will specify that the work shall be completed within 180 weather working days, following the execution of the contract by the secretary of agriculture. It is understood that a number of local contractors will make bids for the work.

Bids will be received until July 5, at which time all bids will be opened and read publicly. The work called for will include 30 acres of clearing, 95,000 cubic yards of excavation, 135 feet of timber trestle, 2400 feet of culverts, and one 40-foot timber truss on concrete abutments. The notice will carry further data, required by contractors.

SCHUMACHER, P. PROCTOR ON SCHOOL BOARD

**NEW DIRECTORS WILL SERVE
THREE YEAR TERM—MEET-
ING AT JUNIOR HIGH**

CLERK MAKES ANNUAL REPORT

**Resolution Adopted at Meeting Ask-
ing That High School Social Af-
fairs Be Held on Week Ends**

P. P. Proctor and Edwin J. Schumacher were elected new directors of the school district yesterday at the annual election. They will serve for a term of three years, Dr. L. O. Clement having completed his term. At the morning meeting, the annual report of the clerk was read and various school matters discussed.

The clerk's report showed that receipts for the past year totalled \$55,465.18, while the disbursements amounted to \$55,143.20. Cash on hand at the time of the report last year amounted to \$3076.79. The district tax brought in \$36,578, the county school fund \$9,676, and the state school fund \$2323. Tuition charges yielded \$699, manual training fees \$92.77. The elementary school tax brought in \$2728.50.

Teachers' wages cost the district \$37,176.28. The rent of rooms and site amounted to \$110. Fuel and supplies cost \$6060.12. Repairs, care of grounds and janitor service cost \$3408.39. Water cost \$344.16, lights and power \$372.22, and telephone 206.93. Principal and interest on bonds and warrants amounting to \$5398.32 was paid. The amount of bonded indebtedness now stands at \$56,000, while outstanding warrants amount to \$17,262.17.

A resolution was adopted at the meeting limiting the parties and entertainments of the high school to the week ends as far as possible. This was done in order to keep the standard of work as high as possible, the many affairs interfering to some extent with the ability of the student to apply himself. The resolution follows:

"That it be the sense of the said meeting that all private and public parties, entertainments or social activities connected with the local high school be held on week end evenings as far as possible, that the school authorities have this end in view in making their schedule and program for the ensuing year and that the parents of pupils attending the high school be asked to cooperate with the board and the school authorities in the enforcement of the aforesaid plan."

In the election, 157 votes were cast for Mr. Proctor, 115 for Mr. Schumacher and 69 for Dr. Clement.

GUARDSMEN TO TRAIN IN WASHINGTON CAMP

Camp Lewis, Tacoma, Wash., June 21.—(A. P.)—First of several national guard units from various western states arrived here recently for summer training. The first arrivals included 19 officers and 270 men of the Utah National Guard who came to camp on a special train from Salt Lake City.

National guardsmen from Washington, Oregon, Utah, Montana, Idaho and Wyoming will train here this summer. Each state is expected to send at least 500 men. Oregon and Washington will have about 2,000 here.

The training of the guardsmen here is in accordance with the plans of the war department under the army reorganization bill. In each corps are there are one regular army division, two national guard divisions and three reserve divisions. One of the national guard divisions in the Ninth Corps area will train here, while the other will train at the Presidio of San Francisco. The reserve divisions will not receive training this year.
