CRATER LAKE

One of the Gems of the World

It stands out and advertises our country just as an electric sign will stand out and advertise our business.

THEY ARE ALIKE

They have no place for hard times talk. They dodge no issues but talk business from morning to morning. They stand in the open and have nothing to conceal. They are valuable from every standpoint. They appeal to every one who sees them. They are harvesters in every sense of the word.

Let's all wake up and use Crater Lake now.

Let's all wake up and use Electric Signs now.

Crater Lake speaks for all. But it takes an **INDIVIDUAL** electric sign to speak for you.

Let's have our visitors remember our Gem as well as the Gem of the World.
