Grants Pass Citizens Gladly Testify and Confidently Recommend Doan's Kidney Pills

It is testimony like the following that has placed Doan's Kidney Pills so far above competitors. When people right here at home raise their voice in praise there is no room left for doubt. Read the public statement of a Grants Pass citizen:

J. B. Scarbro, retired minister, 829 "A" St., says: "I have used Doan's Kidney Pills with good results and I am glad to recommend them. My kidneys were out of order and I felt dull and lame, especially mornings. My kidneys acted irregularly, but Doan's Kidney Pills bought at Demary's Drug Store soon corrected the trouble and put my kidneys in good order."

Price 60c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mr. Scarbro had. Foster-Milburn Co., Mfrs., Buffalo, N. Y.

"NORTHWEST MOUNTED" TO BE HERE FRIDAY, SEPT. 9

The famous Northwest Mounted Police, known the universe over as the world's greatest man-trackers, will be the big special attraction at the Rivoli theater Friday night, September 8. This is not a moving picture, but the real Mounty's in live flesh and blood. It has the name of being the only performance of its kind ever offered the public, and has been doing a capacity business all over the country. The Mounted Police will be seen on the streets in their nifty uniforms, which have the reputation of being the prettiest ever worn by any organization, so be on the lookout for them. It was the Mounted Police who caught Dr. Brumfield, and a vivid description of that famous capture will be given, together with a 14,000 mile trip through the Arctic Circle, illustrated with over a 100 slides taken on the scene. The Northwest Mounted Police have literally taken the country by storm, and are receiving the highest praise from press, pulpit and the public for their highly interesting performance. Its entirely different from anything ever seen anywhere, and for that reason is creating no end of favorable comment. On account of the large crowds this famous organization is playing to in every city, the management of the theater urgently request that patrons get in as early as possible, in order to ensure getting a good seat, for if business here is anything like it has been in other places where they have shown, standing room will be at a premium early in the evening. Remember the date, Friday night, and get there early. The Northwest Mounted Police positively guarantee your money's worth or your money back.
