Contract Let for Paving—

The contract for the paving of Orchard avenue was let last night at the meeting of the city council to Grieve and Seymour. The work will commence within a few days, and will conform as nearly as possible to state specifications. A detour will be necessary and cars will be routed out Lawridge avenue.

shop this afternoon and spent several hours at the fair, viewing the results of the year's work of the county farmers. The streets presented a rather deserted appearance with everybody at the fair grounds. They opened at 4:30. The band and the cowboys on the streets shortly after lunch gave a carnival appearance to the city for a short time.

Cancels Arbuckle Film—

That Roscoe "Fatty" Arbuckle has lost out in public favor since the San Francisco scandal is evidenced by the fact that even the smaller theaters refuse to show his films. Chas. Clayton, who now conducts the Gold Hill theater, was to have shown the "Garage" featuring Arbuckle, but he has wired that he does not want the picture.

Fire Loss Was Large—

Six thousand dollars was lost by Barney Hall in the fire which destroyed his foundry at Klamath Falls, stated Mr. Hall today. Mr. Hall is in the city for a short time with W. H. Marshall, also of Klamath Falls. There was only \$2000 insurance on the plant, which was valued at \$8000. Mr. Hall will return to Klamath Falls tomorrow.

At the Fair Tonight—

Courier Bargain Day subscriptions will be received tonight and each night of the fair at the Courier booth. You may pay there if it will be more convenient than calling at the office.

Bathhouse Will Close—

Today ends the official bathing season for Grants Pass, and the municipal bathhouse will close this evening. The water has fallen in temperature to about 50 degrees and it is far too cold for bathers. The attendance all summer was excellent and did not fluctuate greatly. The year was as good as any previous season.

Construction Manager Visits—

G. E. Kibbe, general manager for the A. D. Kern construction company, was in the city yesterday inspecting the work being done on the highway north of town. Owing to a faulty rock crusher, work has been held up for a week and paving will not commence until next week some time. Mr. Kibbe is also making a visit to the Green Springs mountain road where the Kern company has a contract of rocking it.

Concrete Being Poured—

Concrete was being poured today in the last section of the Savage Rapids dam, that portion in the by-pass being the only unconstructed part of the dam. Rapid headway was made in the placing of the forms and in getting the concrete started. Although no high water is expected until late in the fall, no chances are to be taken and two more weeks will see its completion.
