100% Useful is Citrus

W HERE care-free children romp and play the live-long day it's wash, wash, wash. Keeping the active little "Indians" presentable is no light task.

Let Citrus help. Use this extraordinary powdered soap in tub or washer. It makes the stubbornest dirt let go in double-quick time. And because it is so perfectly pure and mild, for all its remarkable cleaning powers, Citrus does its generous share to insure maximum wear from all kinds of clothes and woven materials.

Use no other soap with Citrus

Although Citrus is called a washing powder, it is in reality a finely powdered combination of soap and water softeners with products of the lemon to serve as a mild, harmless bleach.

To prove its soap-richness, dissolve one-third of a large package of Citrus in a gallon of boiling water; add three gallons of cold water; stir together and, when cold, you will have four gallons of the finest soft soap.

To prove its wonderful effectiveness, use it for every soap need—in the laundry, in the kitchen, about the house.

*Citrus Contains Products of the Lemon and Olive
Ideal for the Washing Machine*
