## Our Co-Operation in the New

# Ford Weekly Purchase Plan

Following out our policy of extending the facilities of this bank in whatever way we can to serve the public, we have arranged to give our co-operation to the new Ford Weekly Purchase Plan.

We realize what the automobile means to the average family in bringing them greater enjoyment of life, and believe our action in helping those who desire to become Ford owners will be appreciated by many families who can now realize that ambition through the new Ford Weekly Purchase Plan.

Under this plan, you can begin with an initial deposit as low as \$5.00. Then select the type of Ford Car you want—Touring Car, Runabout, Coupe, Sedan, etc.—and arrange to make weekly deposits on which interest will be computed at our regular savings rate.

Come in and let us explain the Ford Weekly Purchase Plan to you, or, if you wish, go to the nearest Ford Dealer for further details. Start today, and before you realize it you will be driving your own car.
